Certifications

Introduction to Figma - Coursera

Mar 2019 - Jun 2022

Highlights of this Certificate.

Sami Mohammad

UX/UI DESIGNER

"Motivated and detail-oriented UX/UI designer with hands-on experience in Sketch, Figma, and Adobe Creative Suite. Graduated from Re:Coded's design bootcamp focused on creating user-friendly and aesthetically pleasing digital interfaces. Possess excellent collaboration skills, a strong work ethic, and a dedication to delivering high-quality design solutions."

Design Projects

Fresh from Market - Your Role

Mar 2019 - Jun 2022

A mobile app for customers to purchase fresh produce from a local farmers' market

- Collaborated with two other designers on a mobile app project for a local farmers' market.
- Divided project into stages, each responsible for designing specific features
- Expanded knowledge in using micro-interactions and minimalistic design style
- Conducted user research to better understand target audience needs and preferences
- Designed a user-centric app with features such as a product catalog, shopping cart, payment integration, order tracking, and vendor management
- Improved collaboration and communication skills in a team environment

Work Experience

Mar 2019 - Jun 2022

ABC University | Location | Full/Part time

Research Assistant

- Developed and implemented Python software programs to collect, analyze, and visualize data with a 30% increase in accuracy and efficiency.
- Collaborated on AI research projects resulting in two peer-reviewed journal publications.
- Conducted literature review on human-computer interaction, producing a concise report to inform development of a new software application UI.

Mar 2019 - Jun 2022

ABC Hospital | Location | Internship

Nursing Intern

- Collaborated with 5 healthcare team members to develop patient care plans
- Demonstrated empathy and compassion in interactions with 100+ patients to establish trust and build positive relationships
- Used technology effectively, including EHR software and medical devices, to provide accurate and efficient patient care

Education

UXUI Design Bootcamp - Re:Coded

Mar 2019 - Jun 2022

Re:Coded Immersive bootcamps are highly competitive, with a 5% acceptance rate.

- Completing a 4.5-month immersive design bootcamp, with 300+ hours of curricula and project-based learning
- Topics include: Design Thinking, UX Research Methods, Interaction Design, Visual Design, User Interface Design, User Testing and Low/High-Fidelity Prototyping.
- Working with various design teams to create products across industries.

Bachelor of Science in Nursing - University/Institution

Mar 2019 - Jun 2022

GPA: 3.75

One course completed: introduction to user experience (UX) & user interface (UI) design principles
